---

## **twaTTY 009r1087**

2009-07-14 21:01:08 by craven

Another twaTTY version, this one should be more usable :)

You can download this version [here](#)

whats changed:

- changed timeline viewer to a nicer layout/
- cleaned up code
- checked in new version to subversion

Todo:

documentation

bugfixing :)

You can get the sourcecode at: <http://svn.the-legacy.net/twaTTY/>
